

POWERHOUSE DEMO DAYS

HOSTED BY CENTRAL POWER SYSTEMS & SERVICES

- Active Power is partnering with Central Power to bring live POWERHOUSE power outage demonstrations to Liberty, MO.
- POWERHOUSE DEMO DAYS provide customers, engineers and sales partners the opportunity to witness the all-new POWERHOUSE in action alongside a pair of Central Power stand-by generators.
- Contained within the POWERHOUSE is our flagship CLEANSOURCE® PLUS MMS 1.33MW Uninterruptible Power Supply (UPS) integrated with our all-new Automatic Transfer and Maintenance Bypass Cabinets.
- With its highly efficient battery-free modular design, combined with rapid low-cost deployment requiring minimal onsite management, the POWERHOUSE offers huge lifetime savings and genuine peace of mind.
- Taco Republic Food Truck and drinks will be provided along with some trip-worthy Active Power & Central Power merchandise.
- The POWERHOUSE will be delivered efficiently and safely with the assistance of BISON self-sufficient lifting jacks which will also be demonstrated on the day
